COVER LETTER

Dear Tokped

I'm Nanda. I'm very interested in becoming a part of Tokped as a Developer. With 2 years of experience in creating and delivering backend solutions, I look forward to bringing my strong, technical, and analytical skills to the Developer opening at Tokped.

Throughout my career, I have been acknowledged as a solution-focused professional with the ability to design and develop innovative applications using advanced technologies. In my current role as a Developer for KFC, I collaborate closely with the application team to develop , ensuring optimal functionality, quality, and reliability. Please consider the following highlights of my career:

- Takes part in Superman which is about aplikasi superman.
- I have used several technologies stacks in my previous projects, such as

Those experiences allow me to keep up my skill with new technology as well as developing my confidence. I have attached my resume for you to review. I would greatly appreciate the opportunity to meet with you and further discuss my qualifications and your requirements in detail. Thank you for your consideration, and I look forward to speaking with you soon.

Best Regard,

Nanda
